

St. Ann's College of Education (Autonomous), Mangaluru

Proceedings of the IQAC meeting held on 24th August, 2018 at 2.30p.m. in the college Mini Conference Hall.

Agenda :

- Talent day for students
- Service Learning Activities
- Evaluation of practical exam of previous year and planning for the academic year.

Talent day for students :

In order to give opportunities to students to exhibit their talents. It was decided to organize the following competitions in the month of October, 2018. The competitions included Folk Dance, Bhavageethe, Eastern singing, Collage and Cooking without fire. Each faculty took the initiative to organize these competitions.

Service Learning Activities :

Integrating Service Learning is an integral part of the B.Ed. two year programme. As one of the activities of Service Learning of the year 2018 it was decided to conduct sports meet in rural Government Primary Schools. Two schools in Bengare were chosen for this Service Learning activity. Mr. Suresh Kumar took the entire responsibility of organizing this Service Learning Activity.

Evaluation of practical exam of previous year and planning for the academic year :

The faculty and the Principal together evaluated the practical exam performance of the students and suggested that the method masters to make sure that the topics are not repeated in the schools and to help and support them to give quality lessons. It was also suggested to request the external examiner from the school to support and help in the classroom management, so that the students are able to give a quality lessons.

The meeting ended with thank to all members.

Proceedings of the IQAC meeting held on 13th June, 2018 at 2.30p.m. in the college Conference Hall.

Agenda :

- To strengthen Advance Pedagogy Papers
- Context Enrichment Programmes

To strengthen Advance Pedagogy Papers :

The Advance Pedagogy Papers content and practicum activities were discussed at length. It was suggested that the Lesson Plans on Advance Pedagogy innovative lessons could be compiled and disseminated to all the pre-service and in-service teachers so that they can be used extensively. It was also suggested to demonstrate the innovative lessons by method masters and video record it for documentation.

Context Enrichment Programmes :

The evaluation on practice teaching programme suggested the need for content enrichment programmes. Hence, a number of content enrichment programmes were planned in each pedagogy discipline, where the students will get an opportunity to clarify their doubts and learn the content accurately before teaching.

The meeting ended with thank to all members.

Proceedings of the IQAC meeting held on 21st May, 2018 at 3.00p.m. in the college Mini Conference Hall.

Agenda :

- Feedback and Remediation
- Health awareness programmes during internship.

Feedback and Remediation :

The faculty reported the feedback taken from the students regarding teaching, learning and evaluation. It was noted that students needed instruction in English as well as Kannada. It was decided to use both English and Kannada as the medium of instruction to help the students learn better. Students with low capability in core teaching skills were identified and the method masters took the responsibility to do an action plan and implement it to improve the teaching skills of those students as remediation programmes.

Health awareness programmes during internship :

It was decided to prepare a tool to measure the health awareness of rural people and the tool to be validated by experts and students teachers would reach a sample of 50 including the parents and community people of rural villages and collect data related to their health awareness. The to plan an awareness programe to people of rural villages.

The meeting ended with thank to all members.

Proceedings of the IQAC meeting held on 2nd April, 2018 at 3.00p.m. in the college Mini Conference Hall.

Agenda :

- Major and Minor Research Projects
- Content Enrichment Workshops.

Major and Minor Research Projects :

It was discussed that UGC has not been funding projects recently. However as the online portal is available to apply both for Major and Minor projects. It was also discussed that we could apply for projects of other funding agencies like UBCHEA, ICSSR and so on.

Content Enrichment Programme :

It was felt that the students content is not very strong and hence to test and identify difficulty content and arrange for content enrichment programmes. Resource Persons with food content mastery could be invited to clarify the doubts and provide content enrichment programmes so that the students give a content rich lessons.

The meeting ended with thank to all members.

Proceedings of the IQAC meeting held on 27th February, 2018 at 2.20p.m. in the college Mini Conference Hall.

Agenda :

- Orientation to Freshers
- Internship Evaluation – Viva Voce.

Orientation to Freshers

A orientation programme was planned for freshers after considering the feedback from the previous orientation programmes. It was planned to have introduction of faculty and students as the first part followed by a documentary presentation on the history of the Institution. This continued followed by meeting faculty in small groups and going around the campus. The second part of orientation involved the Alumnae from previous batch to express the impression about the B.Ed. programme and then the second year students to share impressions about the first year. This was followed by meeting of first and second year students in Pedagogy groups based on discipline chosen. Thus, the orientation to freshers was an improved programme compared to the previous years.

Internship Evaluation – Viva Voce :

Dr. Mrs. Flosy D'Souza expressed that the Internship Evaluation in other college is done by three examiners and then taking average to avoid bias. It was decided to follow this and conduct viva voce.

The meeting ended with thank to all members.
